ELECTIONEER, HEAVILY SUPPORTED, IS NAR ROWLY BEATEN IN HIS DEBUT.

Maxie Witt Has a Close Call-Logistilla Scores Exciting Contest Is Expected in the Brighton Handicap Today.

New York, July 13.—Electioneer, the two-year-old half brother to two famous racers of yore—Tommy Atkins and Maximo Gomez-made his debut in the last race at Brighton Beach today in sensational style. It is said that every man, woman and child withn a radius of three miles of the old beachcomb ers track, and this takes in Coney Island, was in-terested financially in the outcome of this race. Reports of the marvelous trials of the son of Voter —Quesal, lavishly dispensed by his obliging owner, Billy Lakeland, had penetrated every corner of Manhattan Island. Fate was very unkind to Electioner's backers. He displayed superlative speed, has all the earmarks of a racehorse, palpably outclassed his opponents, but did not win. His defeat was by inches only after having been virtually left at the

Sam Hildreth's patience with Logistilla was finally rewarded in the mile and one-sixteenth handicap.
This high class mare has consistently been given high weights by the handicapper and her owner had as consistently declined to start her. The Loco hatchee four-year-old was at last dropped in under favorable weight conditions and made good with all. case. The plunge on Orly enabled his backers to obtain a good price. Congressman Joe Rhinock, from Covington, Ky., is said to have been responsible for the remarkable plunge on Orly.

"Diamond Jim" Brady made two wagers, one of \$20,000 with Billy Cown and one of \$10,000 with

\$20,000 with Billy Cowan and one of \$10,000 with George Ross at odds of 3 to 5 on Maxie Witt to win the first race. He had a mighty close call for

Radtke was suspended for three days by starter Dade. The unlucky jockey got into trouble while at the post on Nannie Hodge, in the Jamaica Selling Stakes yesterday. This will prevent his having the mount on Whimsical in the big race tomorrow.

Manager Fitzgerald announced today that the Brighton Racing Association will give a new and important stake at one mile, to be run next week. It will be named the Brighton Renewal, to which only horses named in the Brighton Handicap will be eligible. It will have as added money \$15,000 and \$2,500 additional will be given to the winner, if the Brighton track record of 1:38, held by Voter and Hermis is beaten; and \$5,000 if the American record for a circular track of 1:37\(\tilde{\eta}\), held jointly by Dick Wells and Kiamesha is lowered. The usual big crowd was on hand to witness high

class racing and, incidentally, enjoyed being cooled off by the grateful ocean breezes. Fifty additional special police have been engaged for tomorrow for the running of the Brighton Handicap. A big field of the best horses will start in the great race and it is estimated that more than 50,000 persons will want to see the contest. The following is a list of the probable starters, jockeys and odds:

GO BETWEEN'S TRAINER LOSES HIS LICENSE.

All Horses Belonging to Alexander Shields Are Disqualified for Thirty Racing Days.

The Jockey Club stewards Thursday night, after Daily Racing Form had gone to press, took drastic action in the matter of the horse Go Between, which won the Suburban Handleap when entered as a gelding and was subsequently protested on the ground that he was a stallion. The trainer's license of John Shields, who handled Go Between, was revoked and all horses of Alexander Shields, owner of Go Between, Ormonde's Right, Halifax and other good performers, were disqualitied for thirty racing days. The action will deprive the Shields stable from competing in the rich stakes offered at Brighton Beach, including the \$25,000 Brighton Handleap next Saturday. In addition Shields will be disqualified from the Saratoga Handleap the opening day of the Saratoga meeting and all other stakes during the first ten days at the Spa.

New York dispatches say public sympathy is with the Messrs. Shields, particularly with John, the trainer. Both have all along asserted positively that they believed Go Between to be a gelding. The present physical characteristics of the horse are not such that the fact of his being a stallion would be noted by any person who had reason to believe otherwise. The incident is considered closed. Alex Shields has said nothing. He will send out a typewritten statement to the press if he has anything to say. August Belmont, James R. Keene, J. H. Bradford, W. H. Knapp and F. R. Hitchcock were the stewards pesent at the meeting which was held at the office of the Jockey Club in the Windsor Arcade.

BAD DAY FOR FAVORITES AT FORT ERIE.

Buffalo, N. Y., July 13.—Speculatively the public did not have a look-in at Fort Erie today. It was not until in the last race that a favorite won. The third race promised to be the best on the card and it was from a betting point of view. Charlie Eastman was always the public choice and it seemed as if the race was a gift to him. Royal Window's good races at Kenilworth, however, had been overlooked and he was allowed to go to the post neglected at 6 to 1.

ALTA M'DONALD DISQUALIFIED FOR FOUL Pins Hybrid to the Rail-Steeplechase Race a Chap ter of Accidents-Nicol Is Ill.

ter of Accidents—Nicol Is III.

Cincinnati, O., July 13.—The disqualification of Alta McDonald in the second race at Latonia today, met with general approval. Throughout the last sixteenth he and Hybrid were head and head, driving to the limit. Hybrid had the rail and a hundred yards from the finish Alta McDonald pressed him so closely as to almost put the colt over the fence. Morris had to pull up short. But for the interference, Hybrid would very likely have won and certainly would have been second. The setting back of Alta McDonald placed Deno first, Hybrid second, and Elected third.

The stee_elechase had more than the usual quota of mishaps, as Eneda, Snowdrift and Dell Leath fell, while Ninepin bolted. T. Casey, rider of Dell Leath, had his foot crushed and Porter on Snowdrift sustained a wrench of the shoulder. Snowdrift was a strongly fancied favorite. The winner, Jim Bozeman, must have been one of the best things that the steeplechase brigade has turned loose this summer. He had so much speed that he probably would have won had all the others stood up and gone the course. He led from start to finish and won pulled up. The winner will be barred from starting until his behavior at the post improves.

A half dozen good things bobbed up in the juvenile race, which was for maidens, the particular fancies being Sagapanak. Friendship and Hybrid. Sagapanak was sent here some time ago from New York by Carroll Reid and had worked well enough to merit support. He ran green and tried to bott.

Russell, who rode Sigmund in the streeplechase, was fined \$100 by the starter for misbehavior at the post and A. W. Booker was fined \$50 in the second. In this race jockeys Bredin and Ambehon engaged in a whipping match in the stretch, for which the judges will fix punishment later.

After the races yesterday Frank Childers, an exsteeplechase Jockey, assaulted John Hogan, starter Holtman's first assistant. Childers was arrested and, to discourage similar occurrences, the Jockey Club will press the posecution against him vigo

ously.

Jockey Nicol was too ill to ride today. He is prostrated by the heat.

Jockey E. Robinson left today for his home in Cleveland.

KILLOCHAN MAKES IT FOUR IN A ROW.

RILLOCHAN MAKES IT FOUR IN A ROW.

Salem, N. H.. July 13.—Frank McCabe's Killochan proved his worth by his victory in the North Shore Stakes of \$1,000, at five furlongs, the feature of the card at Rockingham Park today. This is his fourth successive victory at this track and today's race stamps him as probably the best two-year-old seen here. It being a stake, the race was over the straightaway course. Killochan got the worst of the start and was messed about during the early part of the race. Passing the fieldstand, however, Noone managed to secure plain sailing and then it was all over.

C. T. Henshall's Dollie Dollars celebrated her first start here by winning the opening race at five and a half furlongs.

W. F. Schulte furnished the first and second horses in the fourth, a three-horse race at a mile. Schulte declared to win with Zlenap and the filly made good, beating Yazd, her stable companion, a length and a half. Kumshaw was never a serious contender.

Mike Daly won his first race in a long time when

contender.

Mike Daly won his first race in a long time when Brait earned the purse in the closing race. Brait had to be ridden out however to beat Armington by a head, Lottie Ark being a head back.

ASCOT PARK WILL OPEN THANKSGIVING DAY.

Los Angeles, Cal., July 13.—General Manager James W. Brooks makes the official announcement that the meeting of the Los Angeles Jockey Club for the season of 1906-70 will open at Ascot Park on Thanksgiving Day. November 29, and will continue ninety days. There has been no official announcement as to the selection of officials, but it seems to be the understanding that folomel A. W. Hamilton is to return as presiding judge. The announcement of stakes to be decided and the time for the closing of entries will be made shortly. The differences between owners and officials which marred the last meeting served as a severe lesson and that there will be nothing of the sort the coming season is more than a safe prediction. The prospects for a successful season are uncommonly bright.

TORONTO'S AUTUMN DATES ARE CHANGED.

Toronto, Ont., July 13.—Secretary W. P. Fraser, of the Ontario Jockey Club, today made the following announcement officially: "At a meeting of the Directors of the Ontario Jockey Club, Toronto, Canada, it was decided to return to the original dates of the autumn meeting; namely September 15 to September 22, instead of September 22 to September 20 as previously announced, the Montreal Jockey Club for whom the alteration in dates was made having determined not to hold their inaugural meeting this autumn. A list of stakes will shortly be issued."

be issued."

This means further that the Hamilton meeting of seven days, will follow the Toronto meeting. As now scheduled the Hamilton meeting is to open September 13 and close September 20. It is probable that this meeting will open October 1.

IMPROVEMENTS AT BRIGHTON BEACH.

Many improvements have been made at Brighton Beach track. Hundreds of young trees have been planted along the backstretch and in other places, while a new driveway from Neptune avenue makes it easier for carriages and automobiles to reach the paddock. A new jockey building has been erected just beyond the paddock, where the riders are kept in the usual seclusion all the afternoon. The same kind of a jockey board, used for the first time in the east at Sheepshead Bay, has been installed, together with the same method of announcing the scratches. In place of the vocal calls to the betting ring, a large electric gong now does service and is a great improvement.

JAMES R. KEENE'S LARGEST YEARLING.

Lexington, Ky., July 13.—The yearling by Disguise II., out of Cinderella, by St. Simon, is so growthy that it has been decded to declare him out of all his engagements for 1907 and not race him until his three-year-old year. He stands 16 hards 9 inches and is the largest yearling ever produced at James R. Keene's Castleton Stud.

JOCKEY STONE BREAKS A WRIST.

New York, July 13.—Harry Stone, the steeplechase jockey, fell and broke his wrist while schooling a jumper at Sheepshead Bay this morning. He was to have ridden Kernel in tomorrow's Punchestown Steeplechase.

MURPHY TO RETURN TO THE TURF.

New York, July 13.—Michael Murphy, of Phila-delphia, will make his re-entry into racing shortly. Four horses of his own breeding have just arrived at Brighton Beach from his farm. James Healey will train them.

Went to post at 3:01. At post 4 minutes. Start fair. Won easily; second and third the same. Alta McDonald followed the early leaders closely and, saving ground when coming into the stretch, headed Hybrid in the final sixteenth, but bore over and, pinning Hybrid against the inner rail, forced Morris to take the latter back to keep from going down and was disqualified. Demo came with a great rust through the stretch and got up in the final stride for second place. Hybrid showed good speed and would have won but for interference. Elected gained steadily after going a half. Goldess, probably best, was knocked back at the start and closed a tremendous gap. Friendship bolted on the stretch turn and was eased up through the stretch. Sagapanak ran green, tried to bolt soon after the start and was pulled up. Scratched—63435 Seba, 107.

Alcor ran a good race, stood a hard drive gamely and finished going well. John Carroll, outrum in the early stages, came fast through the stretch and got up in the final stride for third place. Hazelthorpe showed speed, but was weakly handled toward the end and tired badly. El Otros showed a brief flash of speed. Edith May can do better.

Went to post at 4:01. At post 4 minutes. Start good. Won easily; second and third the same. Jim Bozeman, running in suddenly improved form, showed much speed and, fencing cleanly, hell the others safe for the entire trip and won with plenty in reserve. Signund followed well up in the early running, but blundered several times when going to the obstacles. Well-d, badly ridden, can do much better and ran only a fairly good race. Ohio King went only moderately well. Enida fell at the last obstacle. Snowdrift was going fast and moving into contention, when she fell on the flat, Dalesman refused repeatedly, but finally went over the course.

ANSWERS TO QUERIES.

[Communications without names and addresses of senders will not be answered or noticed.]

Walter A. P., London, Ont. The parlay won and should be paid. Head Dance being out to show it was void as to him.

J. R. H. and J. T., Chicago. The coupling was an error and the parlay lost. An entry is one or more horses and Petit Duc was the Walker entry.

E. O., St. Louis, Mo. The bet on Kiamesha was a draw. Of course a bookmaker has the same right any other individual would have to name conditions under which only he will bet, but they should be consistently applied. In the case mentioned the bet should have been recorded "Kiamesha to go."

to go."

O. G. Exshaw, Alta, Can. In racing the number attached to the sleeves of the jockeys and the saddle cloths of the horses correspond with the numbers in front of each horse's name on the daily racing program, enabling each holder of a program to

readily identify the horses as they come on the track from the saddling paddock and parade in from of the grandstand prior to going to the post. Usu ally the horses take positions at the post as deter mined by lot.

PRESTIGE'S REGRETTABLE BREAKDOWN.

PRESTIGE'S REGRETTABLE BREAKDOWN.

Horsennen in France regret much the breaking down of William K. Vanderbilt's unbeaten three-year-old colt Prestige. The trouble was in one of the fetlock joints. Prestige won seven races as a two-year-old and nine this year, and in all won more than \$70,500 for his owner. This is a considerable sum for the French turf. Prestige probably would have won more this season but for the fact that Mr. Vanderbilt thought so little of him that he did not enter him early for any of the big three-year-old events at Longchamps or Chantilly. "Not only was Prestige unbeaten," says the London Field, "but none of his opponents could ever extend him, and he was in most of his races giving away a good deal of weight. How good a horse he was was not known, even to his trainer, who admitted that he could give twenty-one pounds to his stable companion Maintenon, and yet the latter was good enough to win the French Derby and other valuable races. It is all the more to be regretted that Prestige should have broken down when he did, because all the sporting world in France was looking forward to a meeting between him and Pretty Polly in the Prix du Prisident de la Republique at Maisons-Laffitte on July 15. This would have been a race of great interest, for there are no penalties or allowances, and Pretty Polly would have been a price of great interest, for there are no penalties or allowances, and Pretty Polly would have been a race of great interest, for there are no penalties or allowances, and Pretty Polly would have been a race of great interest, for there are no penalties or allowances, and Pretty Polly would have been a race of great interest, for there are no penalties or allowances, and Pretty Polly would have been a race of great interest, for there are no penalties or allowances, and Pretty Polly would have been a price of great interest, for there are no penalties on the Hursday preceding the Grand Prix. It was against the advice of his trainer that he was then sent out to oppose Japonais,

TABULATED HISTORY OF THE BRIGHTON HANDICAP.

Latest instituted of the four great handleaps of the first half of the New York turf year, the Metropolitan, Brooklyn. Suburban and Brighton, the latter has had its endowment increased by degrees that it is now the richest handleap of the American turf. A marked feature of the running of this great race in recent years has been the exceedingly fast time scored by its winners. Gold Heels set the record at 2:03½ in 1902. Waterboy cut this year, we have the track been dry and fast as it was when Broomstrat the record at 2:03½ in 1902. Waterboy cut this year, First, Age. Jockeys Wt. Second.
